

Romance Yourself With Rosy Tones This Spring

BOBBI BROWN

Different shades of Spring in **rosy hues** for the modern, chic woman. Exude elegance and **natural beauty** this season as you get out to have some fun!

ROSE IS A universally flattering tone with endless possibilities and beautiful variations. For the soft, pretty and feminine look this Spring, put a touch of Bobbi Brown's new "Pot Rouge" for the lips and cheeks that blends easily and gives your cheeks a sheer stain of colour. Available in titillating shades of *Blushed Rose*, *Powder Pink*, *Summer Tan* to *Velvet Plum* and *Chocolate Cherry*, there is a perfect shade and tone for every woman!

The *Rose Shimmer Brick Compact* of five different luscious shades of luxe, pure pearl pigments flatters all skin tones. Complimenting the *Pot Rouge*, these delicious colours add a hint of shimmer and rosy shade to your cheekbones. Highlight your features effortlessly with this extra touch of shine.

To complete the look, Bobbi Brown's limited edition of *Nude on Nude Eye Palette* has just the perfect amount of shimmer to impress. Taking on the season's shimmer trend, choose from four shimmery nude shades for the lower lid and a fifth specially for lining. Complete with dual ended eyeliner and shadow brush, you're all set to shine with these delightful tones!

The finishing touches for your spring day out will not be complete without Bobbi's popular *lip-gloss* formula now available in *Rose*. Pucker up those lips for this glossy, high shine formula with brush applicator.

Exclusive premier of the Spring collections will be held at *Isetan Scotts* on 18-24 March 2005. Available at *Robinsons Centrepoint* and *Robinsons Raffles City* from 25 March 2005 onwards.
