# move over to the dark side

Spoil yourself with the  
NOKIA 7270 Black and  
make a fashion statement.

Distinctly bold in black. The Nokia 7270 is more than just a communication tool, it's a fashion accessory. Have a little delicious fun with this sleek midnight noir style teamed with striking art deco motifs. Depending on how you'd like it, strap on the black leather or go nude – whatever tickles your fancy. A bold contrast to all colours on the palette, stay on top with black accessories and tuck yourself neatly into the epitome of vogue.
